## Experience

---

### Front

*Engineering Manager, 2023-Present*

Managing the Core Product team. I'm a business focused, deeply technical engineering leader.

Roughly:

- 50% organization/people management
- 25% product management
- 25% technical leadership

*Tech Lead, 2021-2023*

Tech lead on the Core Product team. I own engineering execution for multiple projects across the team, with additional focus on

- Onboarding and mentoring other engineers
- Driving product outcomes, owning team OKR's
- Building engineering knowledge across Front, including running our staff meeting
- Meeting with key customers to translate their needs into problems to be solved

### Bayes

*Founding Software Engineer, 2019-2021*

Building Bayes, a tool for exploring and understanding data. Founding Engineer, working on all technical aspects of the product. Additional focus on onboarding and mentoring other engineers as we grew the team.

### Dropbox

*Software Engineering Intern, Summer 2018*

### Amazon

*Software Engineering Intern, Fall 2017*

### Bloomberg

*Software Engineering Intern, Summer 2017*

### Pure Storage

*Software Engineering Intern, June 2016 – June 2017*

## Education

---

### University of Washington

*B.S. in Computer Science*

GPA: 3.78

Selected Coursework: Computer Security, Human Computer Interaction (User Interface Design, Prototyping, and Evaluation), Software Entrepreneurship, Ubiquitous Computing

## Skills

---

**Languages and Tools I'm using now:**

JavaScript, Typescript, ReactJS, Electron, HTML, CSS

**Languages and Tools I've used in the past:**

Python, Go, AngularJS, MongoDB, MYSQL, Spring Framework, Scala, Java, AWS (EC2, S3), Vega-lite

## Organizations

---

### Startup UW

*Executive Team Member, 2016-2017*

Technology director for the Startup UW executive team, in charge of managing the club's website and working on new projects to support students pursuing entrepreneurship at UW.

Awards: 2017 Dean's Leadership Award, 2017 Foster School of Business Service Award

### Badger Mtn. 4-H Club

*President and Youth Leader, 2007-2015*

President and Youth Leader for a 20+ member 4-H club, raising lambs to show at local fairs.

Awards: Benton County 4-H Youth Leader of the Year - 2014
